All orders are subject to corporate approval by Desirepath Mississippi LLC, a Delaware limited liability company (“[Capri Blue](#)”).

Opening Order Requirements

- Capri Blue Accounts:
 - \$500 in any combination, across all fragrances

New accounts are shipped prepaid on a credit card or by check, including 8% freight (U.S.) or 11% freight (CAN).

Capri Blue reserves the right to approve or reject an account in its sole discretion for any or no reason. Capri Blue reserves the right to refuse any order for any or no reason.

Changes to dated orders must be made at least five (5) business days prior to requested ship date; provided, that any costs or expenses reasonably incurred by Capri Blue in connection with processing a changed order (including restocking fees, labor, etc.) shall be paid by you upon demand by Capri Blue.

Reordering

No minimum reorder, provided, however, that if you do not make and pay a minimum of \$1,500 in orders each year (the “minimum annual activity”), your next order must be for an amount equal to or greater than \$2,500. Accounts that do not meet the aforementioned \$1,500 minimum annual activity will revert to inactive status; terms will change to credit card and will be subject to opening requirements and re-approval (including, without limitation, the above-mentioned \$2,500 minimum order requirement).

Sales Tax Exemption Certificate

A Sales Tax Exemption Certificate is required at the time you submit an order. Opening orders will not be processed until this form is received. If you are unable to provide an Exemption Certificate, we may charge sales tax on your Capri Blue orders (applicable to U.S. accounts only).

Authorized Reseller Status

These Desirepath Mississippi LLC Wholesale Terms of Sale apply to Authorized Retailers of Capri Blue products (“Products”) in the United States of America. By purchasing Products from Capri Blue for retail sale, you (“Retailer,” “you,” or “your”) agree to adhere to the following terms. Until your status as an Authorized Retailer is revoked by Capri Blue, you will be an “[Authorized Retailer](#)” hereunder. You shall sell the Products only as set forth herein. Otherwise, the Products may not be eligible for certain services and benefits, including, wherever permitted by law, coverage under any applicable Capri Blue’s Product warranties or guarantees. Capri Blue reserves the right to audit and/or monitor your activities for compliance with these Terms of Sale, including, but not limited to, inspection of your facilities and records concerning the Products.

Authorized Customers

You shall sell Products solely to End Users (as defined below) of the Products. An “[End User](#)” is any purchaser of the Product(s) who is the ultimate consumer of the Product and who does not intend to resell the Product to a third party. You shall not sell to anyone a quantity of the Products greater than that generally purchased by an individual for personal use. You shall not sell or transfer any of the Products to any person for resale without the prior written consent of Capri Blue. This includes sales to B2B accounts, wholesalers, freight forwarders/drop shippers for other retailers, or any other person or entity you knows or have reason to know intends to resell the Products.

Locations

You shall not sell, ship or invoice Products to customers outside of the United States of America without the prior written consent of Capri Blue. Further, Capri Blue products (“[Products](#)”) can only be sold in stores approved in advance by the local Capri Blue Representative and Capri Blue corporate office. If you maintain multiple store locations, each location is subject to approval by Capri Blue corporate office prior to the sale of any Products from that location. Online sales are discussed below.

Prices and MAP Policy

Prices are subject to change without notice. Capri Blue has a unilateral United States Minimum Advertised Price Policy (“[MAP Policy](#)”) that applies to all authorized retailers of Capri Blue Products located in the United States of America. This section is intended to inform you of the existence of Capri Blue’s MAP Policy. It does not constitute consideration for this agreement between you and Capri Blue, and does not separately constitute an agreement between you and Capri Blue regarding the price you will charge your customers for the Products. Capri Blue does not seek, nor will it accept, from Retailer any assurance of compliance with the MAP Policy. A copy of the MAP Policy may be obtained by contacting MAP@curiobrands.com.

Fragrance and Territory Restrictions

Capri Blue does not allow fragrance restrictions per category within approved locations. Approved locations may carry any assortment of fragrances appropriate to their store — subject to account classification (per new account terms and opening order minimums).

Shipping

All orders are shipped F.O.B. from our warehouse by commercial carrier unless otherwise specified. Shipping costs vary outside the Continental U.S. You will be responsible for paying all shipping and freight costs relating to your orders. Without limiting the generality of the foregoing, each order shipped in the U.S. shall be subject to a 8% freight charge, and each order shipped to Canada will be subject to an 11% freight charge. The charges shall be fully payable by you and will be added to the total amount of the order invoice (as applicable for each country). You will bear all risk of loss or damage to any shipped product as of and after the time such product is delivered to the shipping company.

Product Care and Quality Controls

Product Storage and Handling. You shall exercise due care in storing and handling the Products, store the Products in a cool, dry place, away from direct sunlight, extreme heat, and dampness. For Capri Blue’s candles, you shall store candles in an upright position and maintain storage temperatures between 65 – 75 degrees Fahrenheit. You shall adhere to any additional storage, shipping, disposal, handling and other Product guidelines specified by Capri Blue from time to time, including instructions provided on Product labels or set forth in Safety Data Sheets (a.k.a. SDSs). Safety Data Sheets are available on the Capri Blue website at www.capri-blue.com.

Product Inspection. Within seven (7) days of receipt of the Products, you shall inspect the Products and their packaging for damage, defect, broken seals, evidence of tampering or other nonconformance (collectively, “[Defects](#)”). If any Defect is identified, you must not offer the Product for sale, and must promptly report the Defect to Capri Blue at quality@curiobrands.com, and cooperate with Capri Blue with respect to the disposition of any such Product with a Defect. See the section titled “Returns and Claims” for information on how to return damaged, defective, nonconforming, or misshaped goods.

Recall and Consumer Safety. To ensure the safety and well-being of the end users of the Products, you shall cooperate with Capri Blue with respect to any Product recall or other consumer safety

information dissemination effort. Should you learn of any incident that could reflect or indicate a safety concern associated with any Product, you shall promptly report the incident or other information learned to Capri Blue at quality@curiobrands.com.

related to your sale of Products, including disclosing information regarding Product sources, shipment, and handling.

Returns & Claims

No returns will be accepted, other than in the case of damage, nonconformance, defects, or misshipment, or pursuant to Capri Blue's prior authorization (which may be withheld or denied by Capri Blue for any or no reason); provided, that in the case of damage or mis-shipment, returns shall be permitted if, and only if, reported to Capri Blue Customer Service within seven (7) days of receipt of the applicable order. All Products eligible to be returned in exchange for a refund must be received by Capri Blue within thirty (30) days after the expiration of the above-mentioned seven (7) day period or else Capri Blue will not be required to accept the return or refund any amounts. Shipping costs as well as a 20% restocking charge shall be billed to you for each refused or returned order, regardless of the reason for the return. If reshipment is requested, shipping costs and restocking charges will be assessed and billed to you on the invoice.
